INCREDIBLE•SHRINKING•SPHERE

The Sangfalmadore Run, a planetoid battle training arena has been designed to push new recruits to the limits - trying their speed, strategy and reflex responses!

Colonel-in-Chief, Matt Ridley, frustrated by his desk-bound job, took to the controls of a fighter sphere to test his ability on the now unstable Sangfalmadore Run!

Your task aboard a fighter sphere, is to locate the Colonel who has become hopelessly stranded within the run.

Using your skill, judgement and razor-sharp reactions, avoid collapsing tiles and assassin spheres. Above all you must survive the Sangfalmadore Run ...

- ★ Stunning music and sound effects
- ★ Realistic ball movement
- ★ Whole screen scrolling

Atari ST screens shown

Manufactured in the UK.
Fabrique en Grande Bretagne
